Transportation & Storage:

Trucks carrying this product will be loaded and transported in a sanitary manner following all requirements stated in this specification.

The product can be distributed at ambient temperatures. Prolonged storage at high temperatures, however, may reduce the functional shelf life of the product.

It is recommended that the product be stored in a cool, dry environment. Ambient storage is acceptable, but prolonged storage at high temperatures may reduce the functional shelf life of the product.

Shelf Life Statement:

Shelf life of this product is 365 Days from production date if kept in a cool, dry environment at ambient temperatures of 33.0 °F (min) to 90.0 °F (max)

Kosher Statement:

This product is kosher (OU) and is produced under Orthodox Union supervision.

Certification Statement:

Halal certified and produced under Islamic Food and Nutrition Council of America (IFANCA) supervision.
Organic USDA agency certified and produced under Midwest Organic Services Association (MOSA) supervision.

Allergen Assessment:

Contains Egg

Regulatory/Finished Product:

Product must meet all defined specifications and functionality requirements throughout the declared shelf life.

All product is produced under a routine quality inspection in accordance with good manufacturing practices.

The daily average of the case weights on the case weight control chart will meet the weight declared on the product label.

This product is produced under continuous inspection by the resident USDA inspection staff and complies with all USDA requirements.
