## **Transportation & Storage:**

Trucks carrying this product will be loaded and transported in a sanitary manner following all requirements stated in this specification.

The product can be distributed at ambient temperatures. Prolonged storage at high temperatures, however, may reduce the functional shelf life of the product.

It is recommended that the product be stored in a cool, dry environment. Ambient storage is acceptable, but prolonged storage at high temperatures may reduce the functional shelf life of the product.

## **Shelf Life Statement:**

Shelf life of this product is 365 Days from production date if kept in a cool, dry environment at ambient temperatures of 33.0 °F (min) to 90.0 °F (max)

## **Kosher Statement:**

This product is kosher (OU) and is produced under Orthodox Union supervision.

## **Certification Statement:**

Organic USDA agency certified and produced under Quality Assurance International (QAI) supervision.

## **Allergen Assessment:**

Contains Egg

## **Regulatory/Finished Product:**

All product is produced under a routine quality inspection in accordance with good manufacturing practices.

Product must meet all defined specifications and functionality requirements throughout the declared shelf life.

Manufactured under FDA regulations.

The daily average package weights on the package weight control chart will meet the label weight declared on the product label and all packages will be within the defined maximum allowable variation limits.
